

Barker College

Barker College Hornsby Gym Refurbishment

Works were completed during Christmas School Holidays.

The works included:

- Stripout and removal of the existing fitout.
- Increase the area of the gym by extending the brick and glass facade.
- New acoustic partition walls to create 4 class rooms, gym, weight room and staff offices.
- Re-use of existing doors and operable wall.
- New carpet, vinyl and special rubber gym floor.
- Upgrading of mechanical and electrical services.

Project Value \$370,000.
